Inside find locally-owned restaurants, cafés and caterers that are making an honest effort to support local farms and producers by serving fresh, seasonal produce, meats, dairy and other specialty products from our region.

Help grow this list by requesting local foods where you dine.

If you know of additional restaurants that are purchasing locally grown foods and should be included in this guide, please let us know.

If you are a restaurant owner or chef interested in purchasing locally grown and produced food, contact us so we can help connect you with local farmers and producers.
