

Countryside Initiative Lease Offerings for 2008

Schedule of Farm Tours

Two tours of each farm being offered for lease in 2008 will be conducted during May. The tours will be very helpful to anyone preparing a proposal to lease. National Park Service and Countryside Conservancy staff will be available to discuss farm buildings and fields, and to answer any questions you may have regarding the attached RFP. Additionally, copies of the supplemental information listed in the RFP will be available for pick up during the tour. It is recommended that all lease proposers attend a tour of the farm/s they are interested in.

Please notify CVCC staff of your intent to attend one or more of the scheduled tours. CVCC phone number to call is 330-657-2542. Page 12 of the enclosed RFP contains a map showing the location of the Gleeson, Leyser, and Martin farms in the Cuyahoga Valley National Park.

While these farm tours will be relatively informal, we will be conducting a generally structured sequence of information presentation and discussion. Hence, you will get the most from this opportunity by arriving on time, taking the “tour”, and participating in the question and answer process.

Farms	Monday May 5th <small>(RSVP by May 1)</small>	Tuesday May 6th <small>(RSVP by May 1)</small>	Thursday May 22nd <small>(RSVP by May 20)</small>	Friday May 23rd <small>(RSVP by May 20)</small>
