

# Countryside Conservancy

## Speakers Bureau

The Countryside Conservancy is continually asked to make presentations to community groups and organizations about the importance of local food and farming. We are happy to do this for citizens of the Northeast Ohio region. We request a \$50 donation to offset the cost of our time and travel.

Our grant support covers activities that take place in a specific region. If your organization is located outside of Northeast Ohio we would be honored to speak at your event. We simply require a \$50 per hour speaker fee (there is a one hour minimum) and that your organization cover expenses associated with our travel.

Please call 330.657.2542 for more information or email [info@cvcountryside.org](mailto:info@cvcountryside.org)
